# Trip Feedback by Parents

Thanks for the trip Ma'am.... Thanks a lot for bringing back kids safely....  
Appreciate your hard work and efforts taken....

- Avyuktha UKG 1

As per Dheemahi's explanation, what we felt was that she enjoyed the whole trip from morning to evening. When she got down from the bus, we saw her happy face, and we saw her overwhelming expression while she was sharing her joyful moments with us. She said breakfast and lunch was good and she enjoyed. She played varieties of games, she did horse ride, and other games also. As parents, we are expecting more trips like this in the future. At last but not the least, THANK YOU SO MUCH for all the teachers and principal for your wonderful support and co-operation.

-Dheemahi UKG 1

I would really like to thank you for taking care of our children so well yesterday. I could see my kid's active participation in all games including dance. He never liked dancing, but when saw his videos we were stunned looking him dance. Thank you so much.

- SaiNidheesh UKG 2

Sudhiksha enjoyed a lot in one day trip. I appreciate all of your efforts to make this trip safe and enjoyable for small kids. Food and activities were good. Thanks.

## Sport-events

‘Lessons that sports teach us can help us develop as players and all-round good people too’.

Many countries organize different kind of sport events like Commonwealth games, Asian games, Olympics, World cups, etc. Let me drag your attention towards these events.

- Commonwealth games: It was started in the year 1930. Only the commonwealth nations are eligible to participate here. Around 72 countries and territories are eligible to participate. The most recent commonwealth games were held last year at Birmingham.
- Asian games: All 45 members of Olympic Council of Asia are eligible to participate in the games. It was started in the year 1951 which was held at New Delhi. Its last event was held in China the previous year.
- Olympics: This is the leading international sporting event in which athletes from round the world participate. The best part of this event is the Paralympics, Youth Olympic games for athletes aged 14-18, Deaflympics and World games for sports that are not contested in the Olympic games.
- World cups: It is a global sporting competition where teams or individuals representing their countries compete for the title world champion. It is mostly associated with FIFA and ICC World Cup. Recently ICC World Cup finals were held in the Narendra Modi Stadium on 19th November where Australia defeated India and became the world champions.

I would like to conclude by ‘Let the sportsman spirit shine in each one of us.’
